

Memphis Lion Monthly Newsletter

November 2018

Memphis Lions November Highlights:

District D2 Fall Conference- On Saturday Nov 3 Memphis Lions presented the Lions District D2 Fall Conference. It took place at Memphis elementary school. This year the focus was on diabetes, due to the rapid spread of the disease and pre-diabetes. There were three separate professionals presenting to the Lions on the adult type-2 and type-1. Pendrickton center gave an overview of all they do with multi-handicapped children, also there was training on how to report on "MyLCI" web-site for club officers, and a session on the use of the KidSight trailer and camera.

Goodfellow Paper Sales- On Thursday 11/29 ,Friday 11/30 & Saturday 12/1 we had our annual street sales of Goodfellow Newspaper with local ads. What a tremendous success with money collected that will be returned to help the less fortunate in our community. Thank you to all the members who helped and especially the community who donated!

Plastic Bags to benches recycle project- This new Memphis Lions Club/Girl Scouts project collecting plastic bags for recycling to be made into park benches is doing great . We should have enough recycled bags for 4 benches per year to be placed throughout the community, Look for the recycle boxes at local businesses , LakeStone bank,library and at the schools. Our November weigh in was 562 lbs.

Memphis Lions Holiday helping Residents- With the holidays season upon us, we are organizing gift packages and helping area residents with other special items. Hopefully we can make a difference.

Upcoming December Highlights:

December 7 - Memphis City Lighting Ceremony

Holiday Gift Baskets and charity drives
